10:15 a.m.
One thousand moonlit
night street

Neptune!
Were you
asleep
again?
You're late.

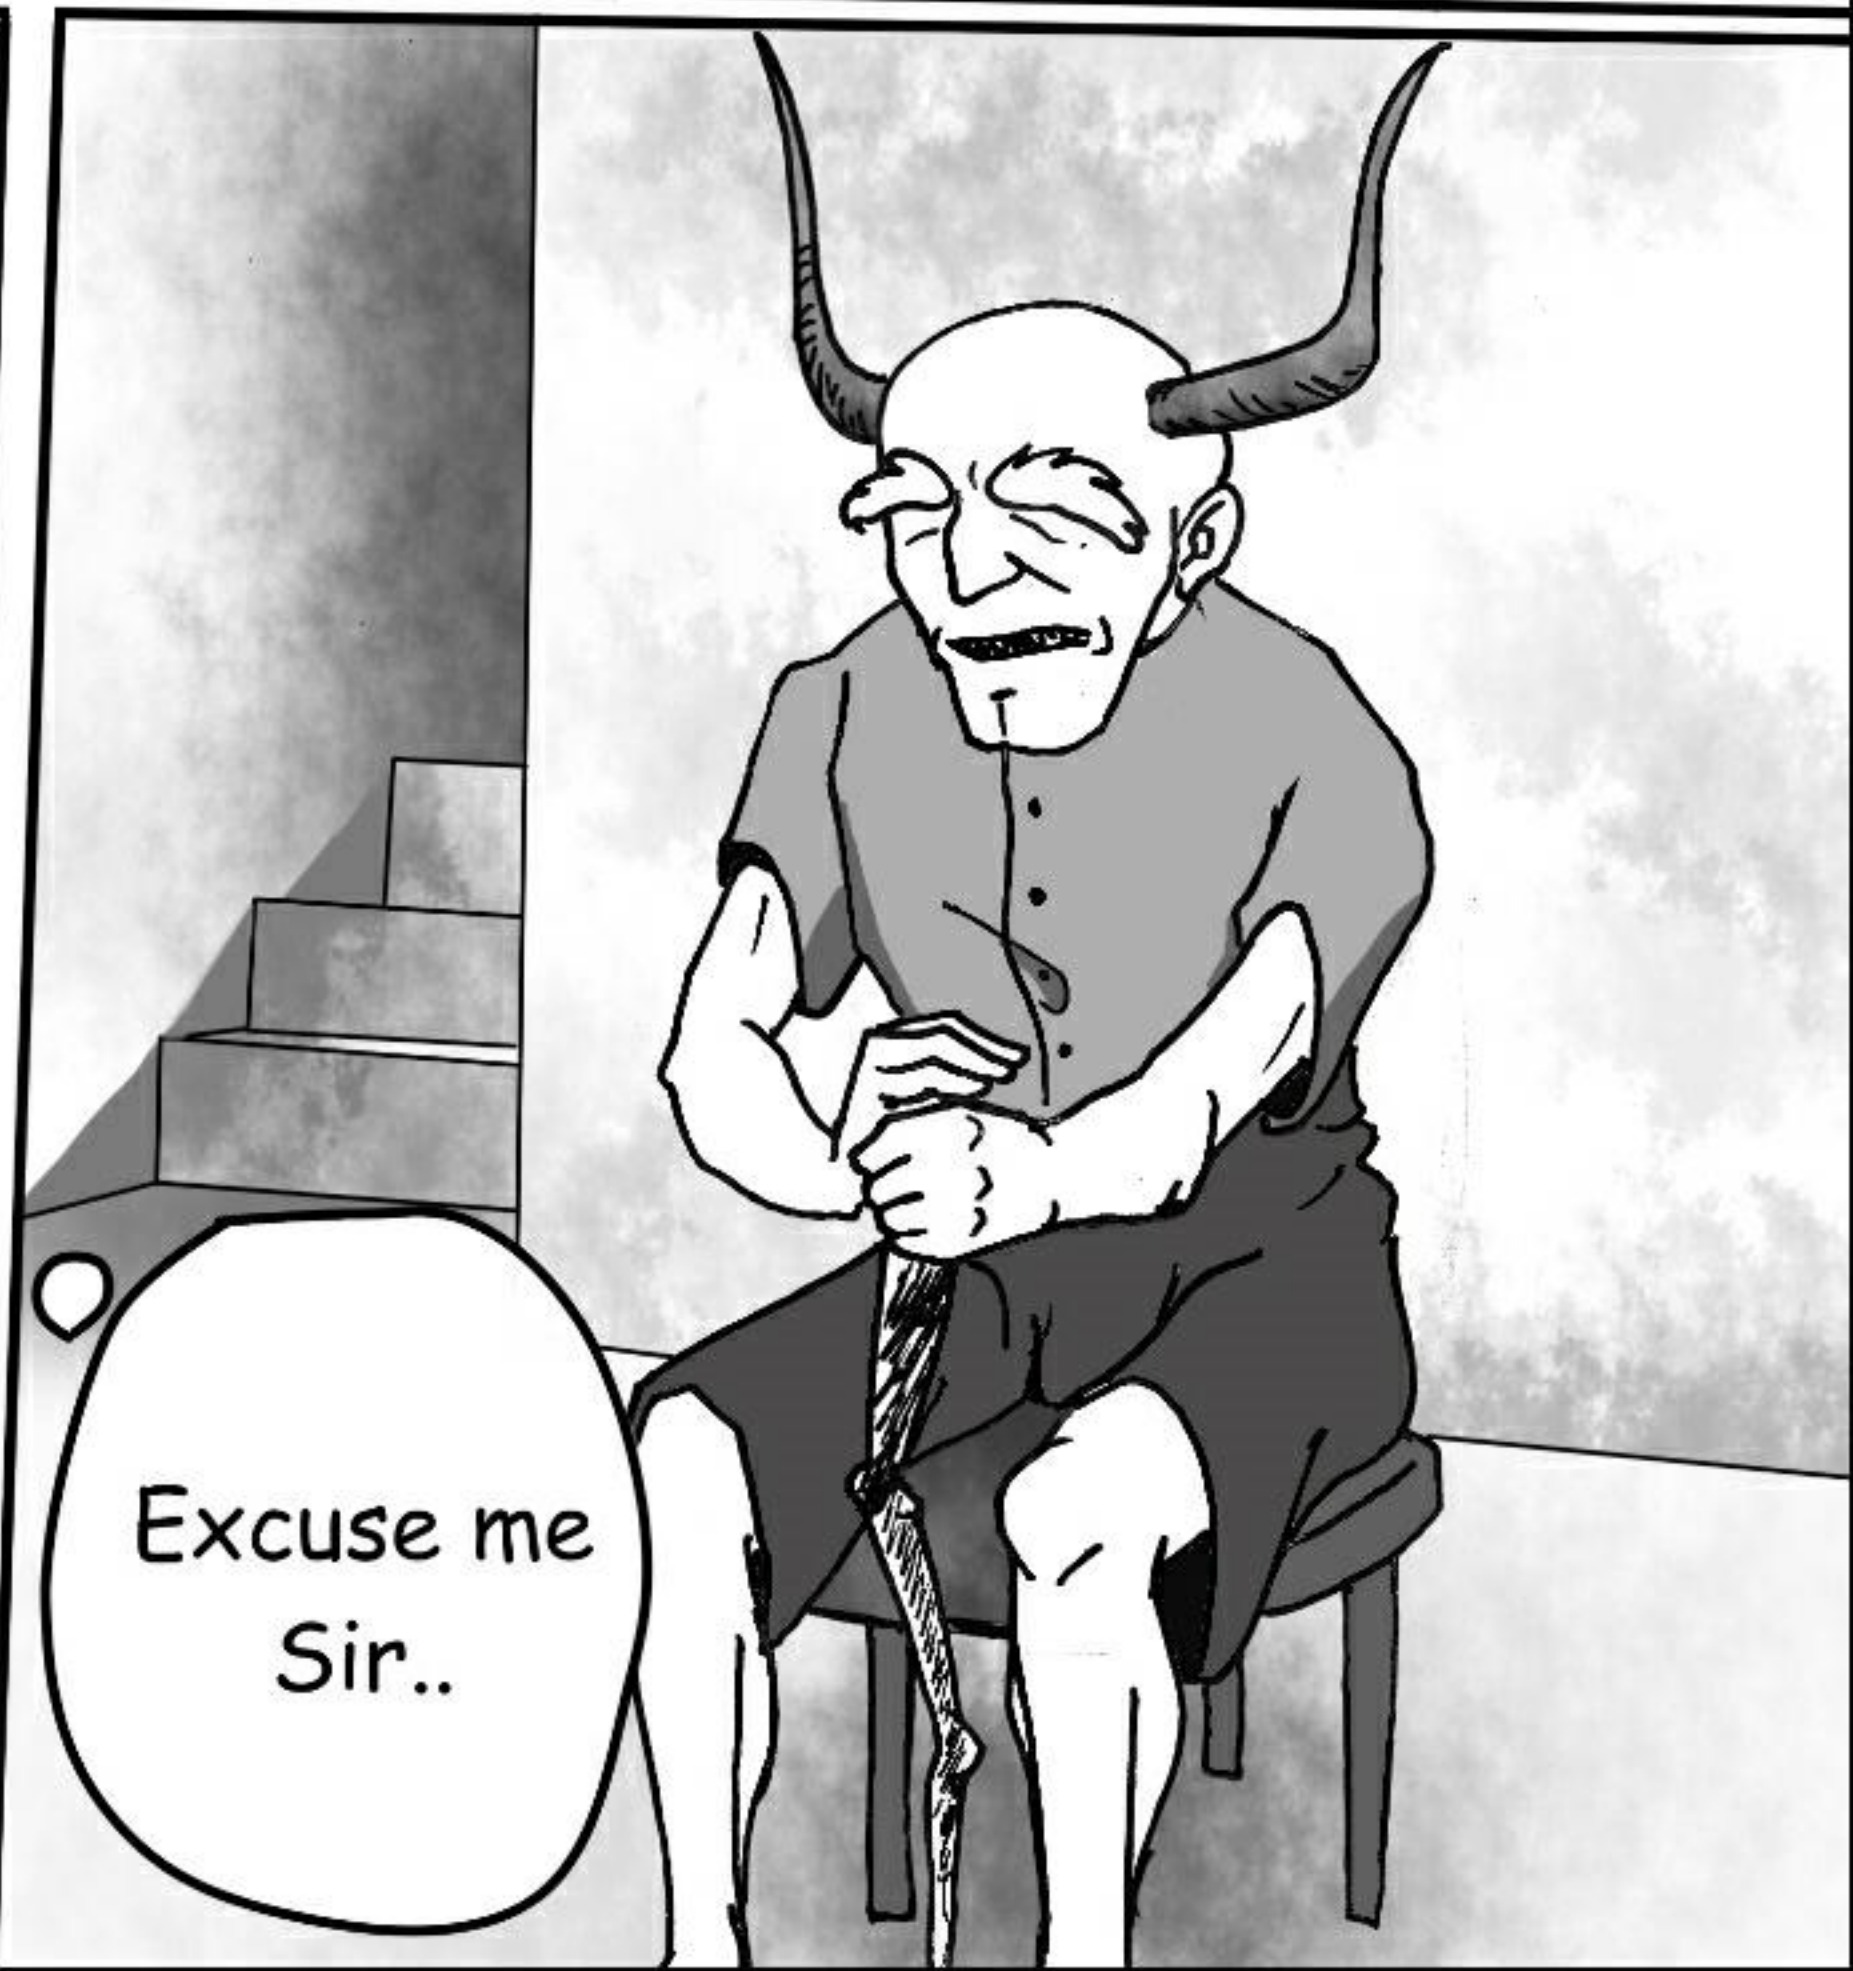

Lynda, is this a chicken?
I thought they're bigger!
Kisoko, have you ever
seen a hand-sized chicken?
I have!

It's ten a.m.
and you didn't show up.
Was it all because
of your stomach?

Dude!
Why do we need two
guys
to watch two idiots?
They can't even
hurt themselves.

!!

You can come
with us
if you want!

That would
be nice.

I haven't seen you
around before.
Have you seen her
around before, **Rick**?

Why have you come to
this city? O.. of course if
you allow me to ask!

...!!

I hope that you don't take
my question as an
interrogation!

**Rick is
an Alien!**

Not at all!
I'm here to see
uncle **Kisoko** and..

K... Kisoko!!

Kisoko

He's a VS* member.
3 years ago he was a
wandering calligrapher.

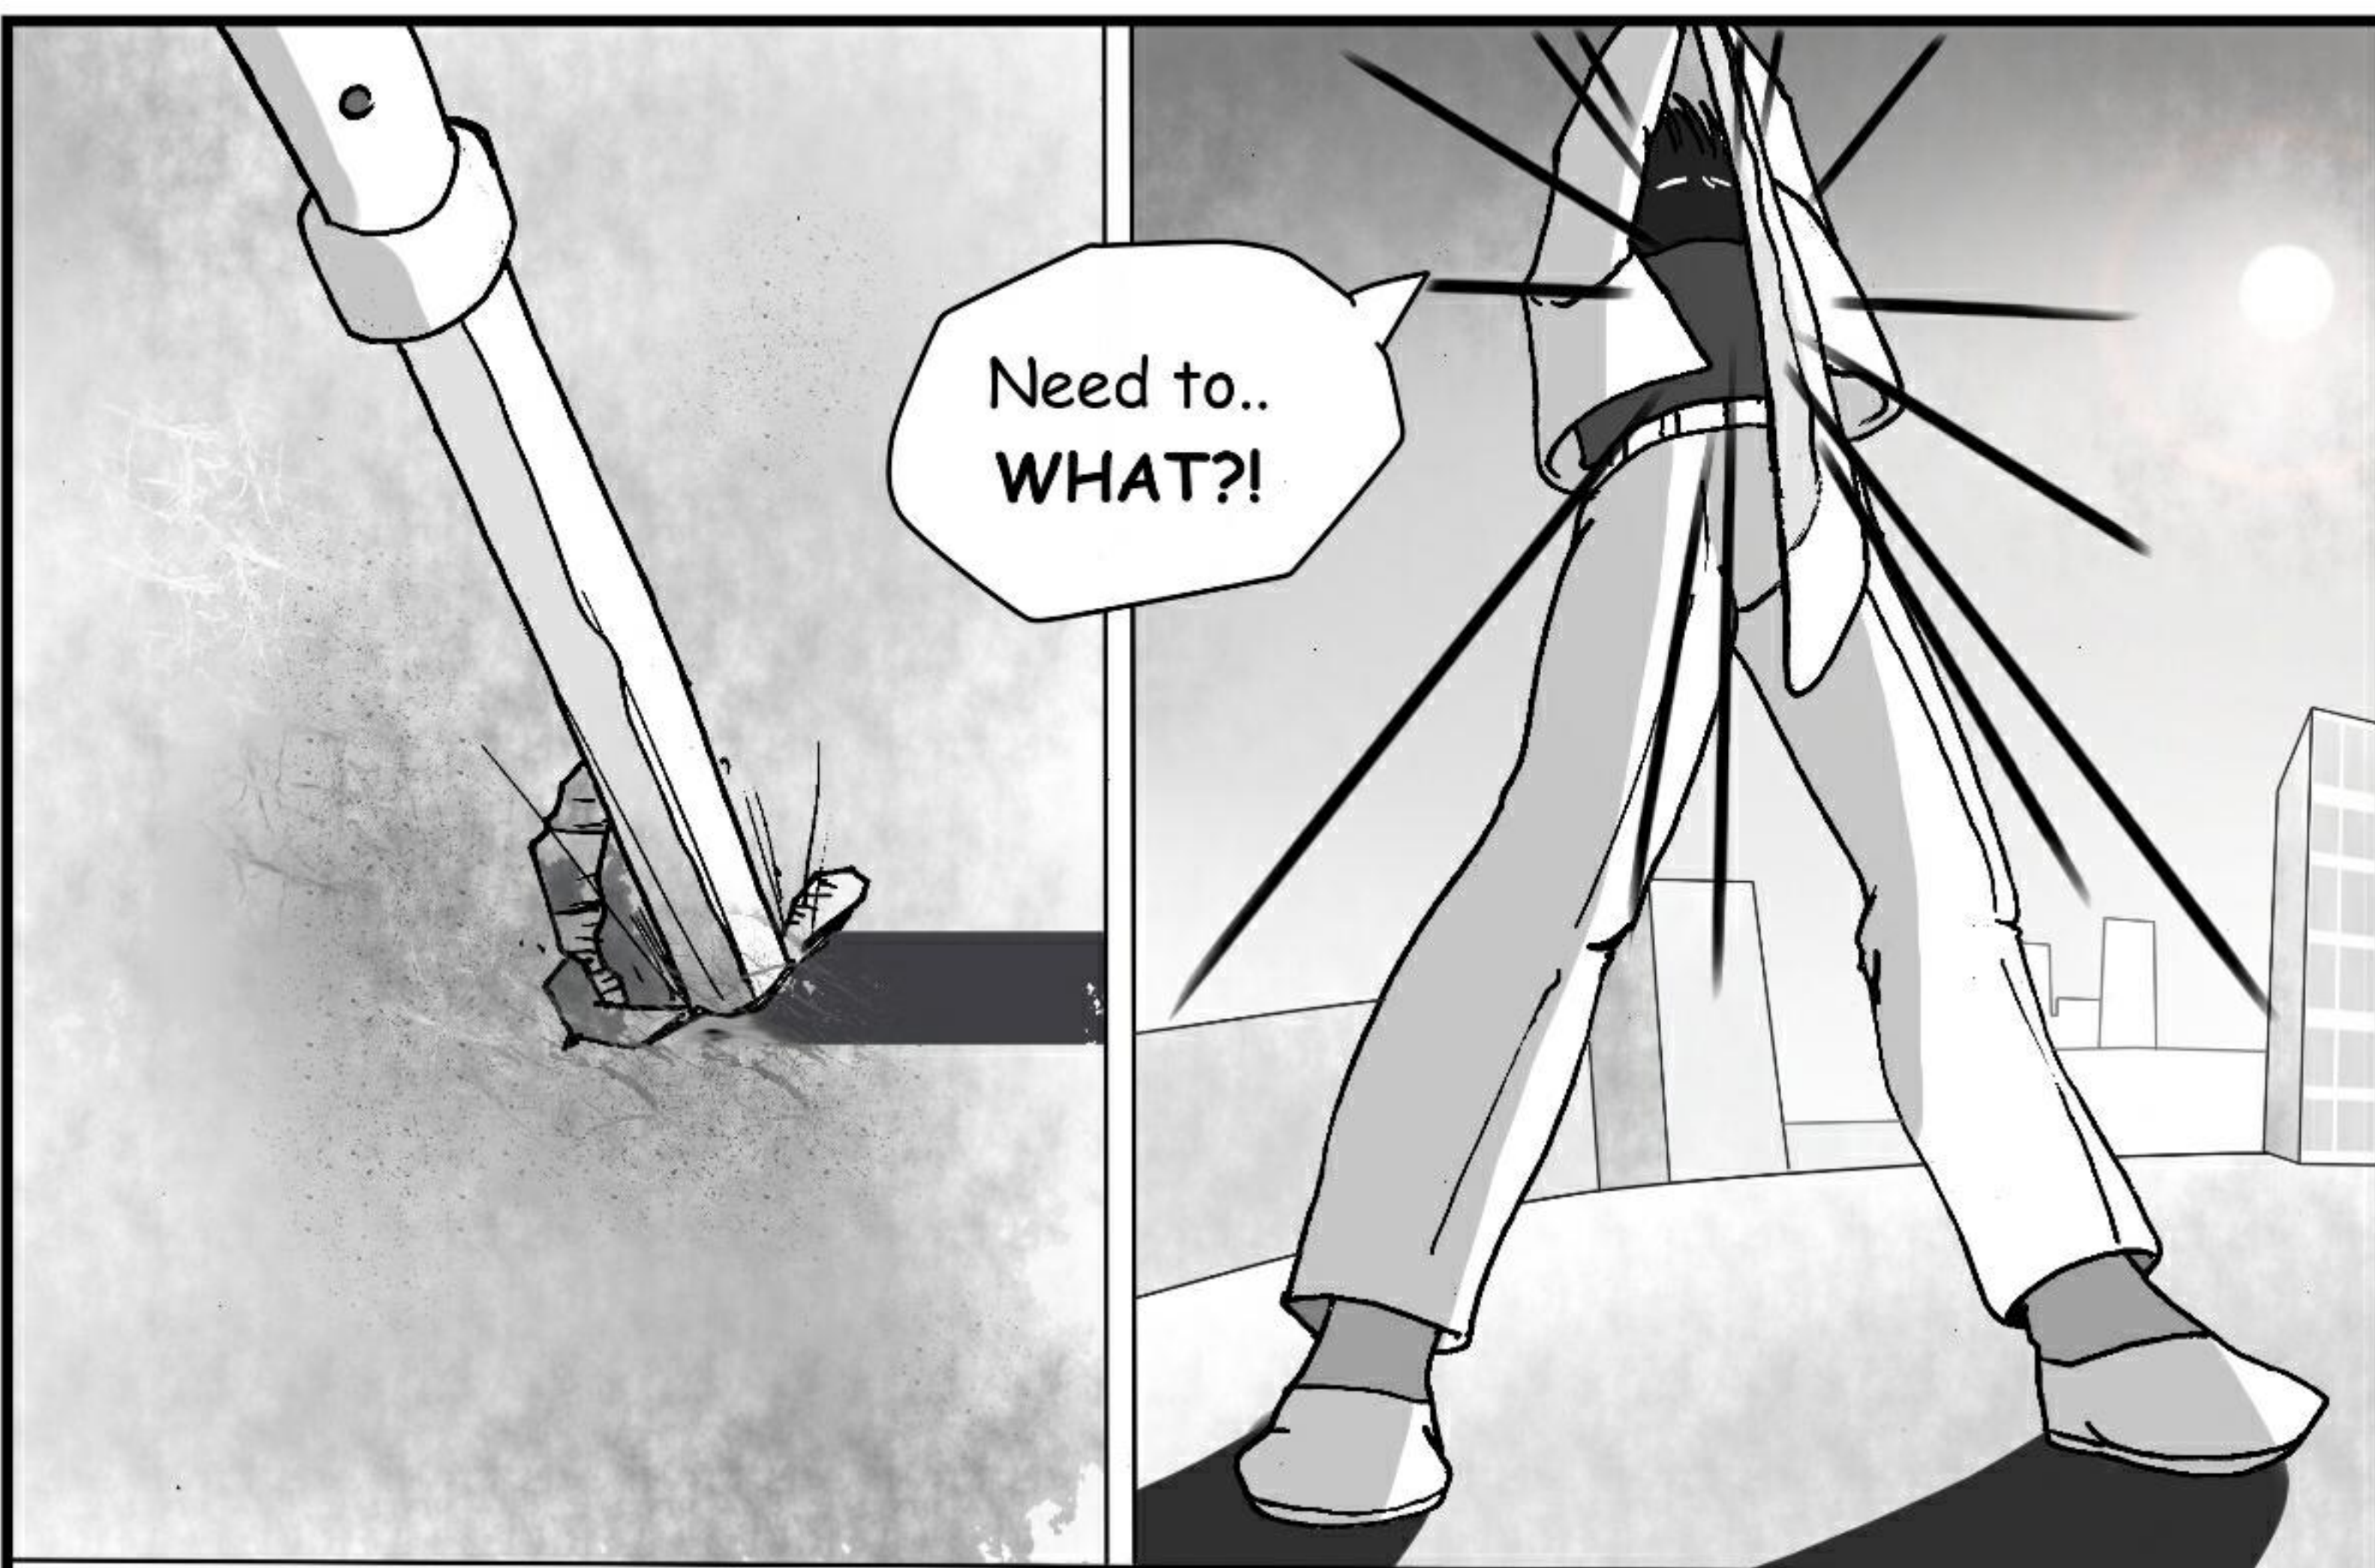

*voluntary security
established in 2020

Do you realize
what we got
ourselves into?

Oh, boy!
We're screwed!
We need to..

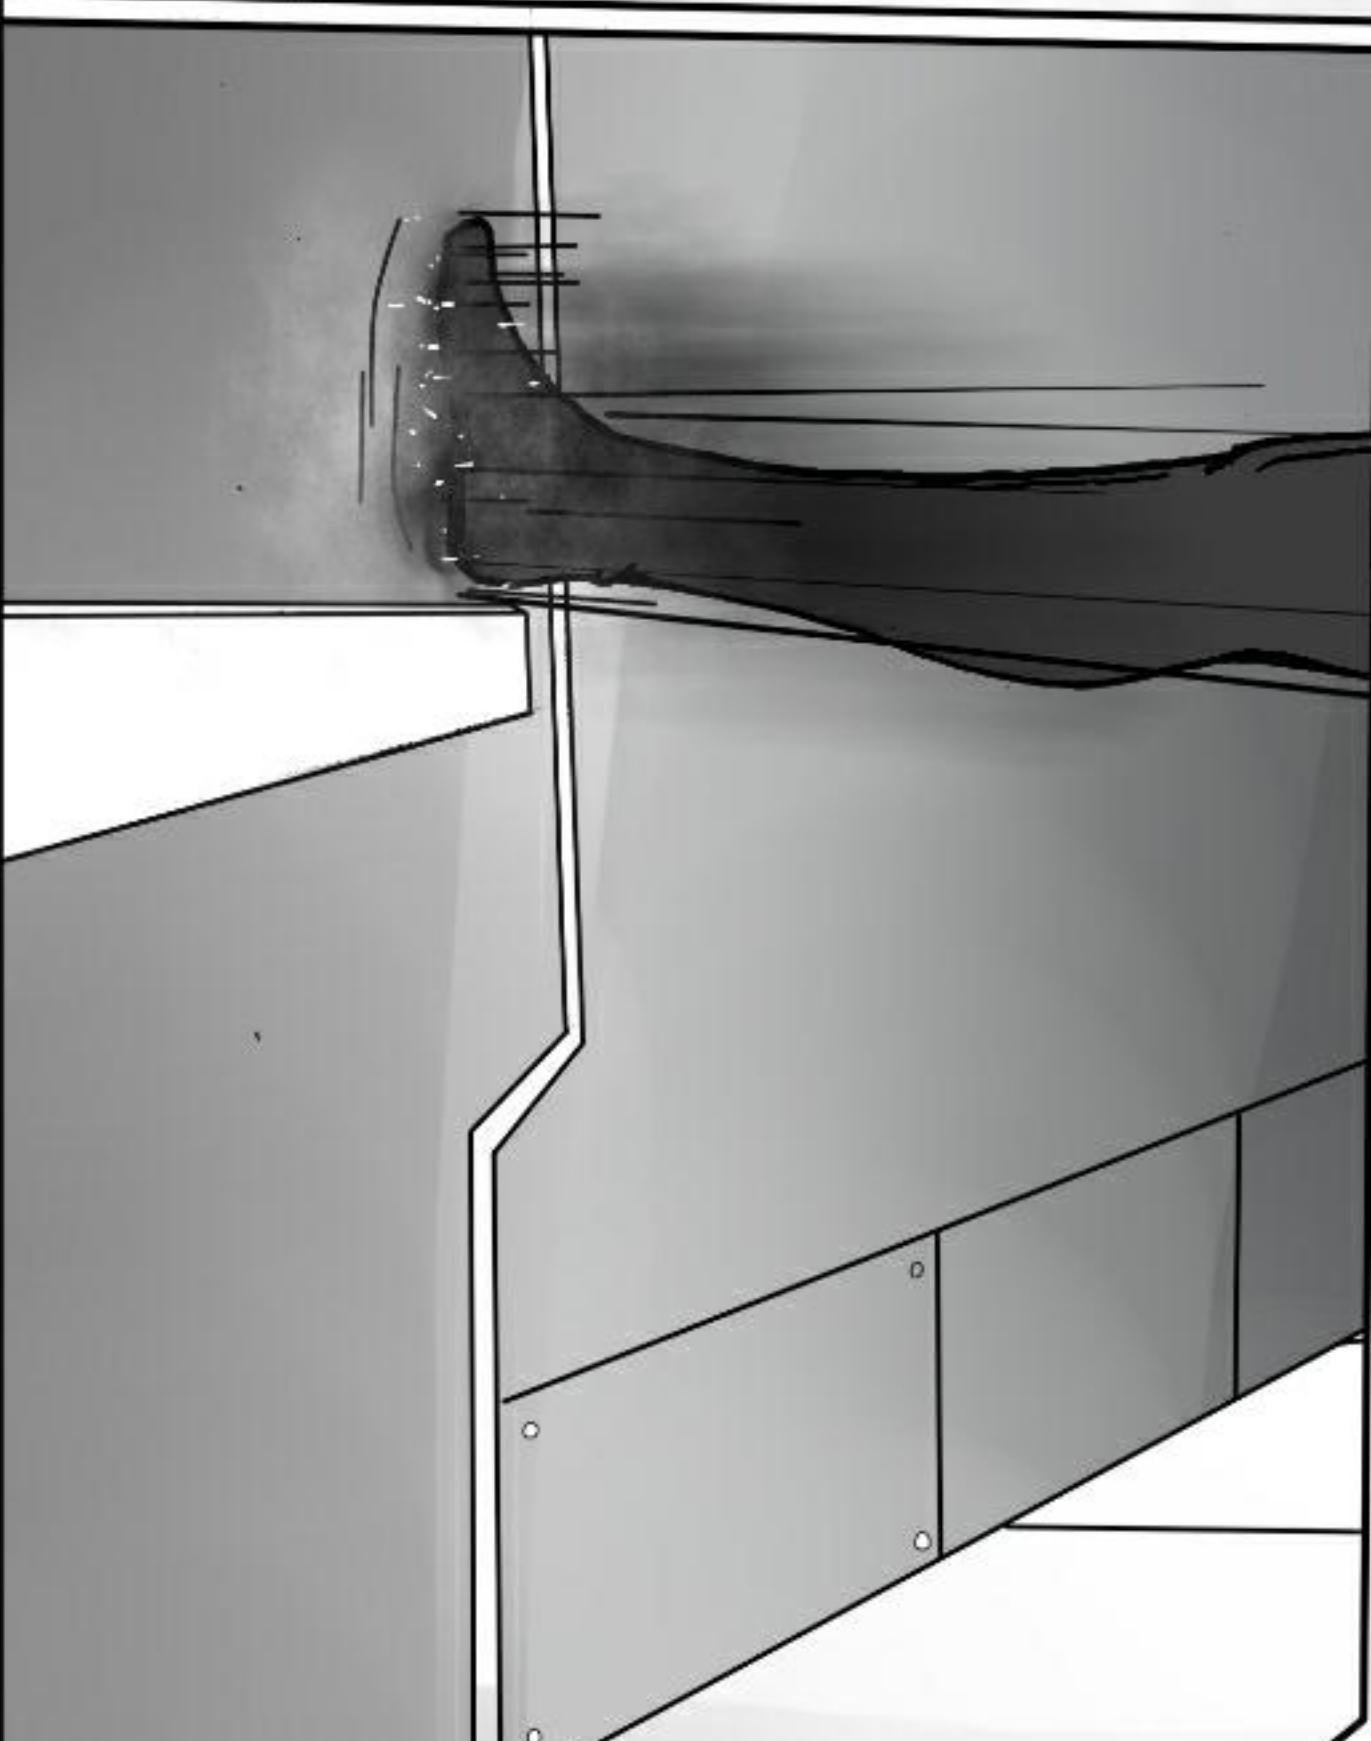

Need to..
WHAT?!

Hmm..
That was
fast..

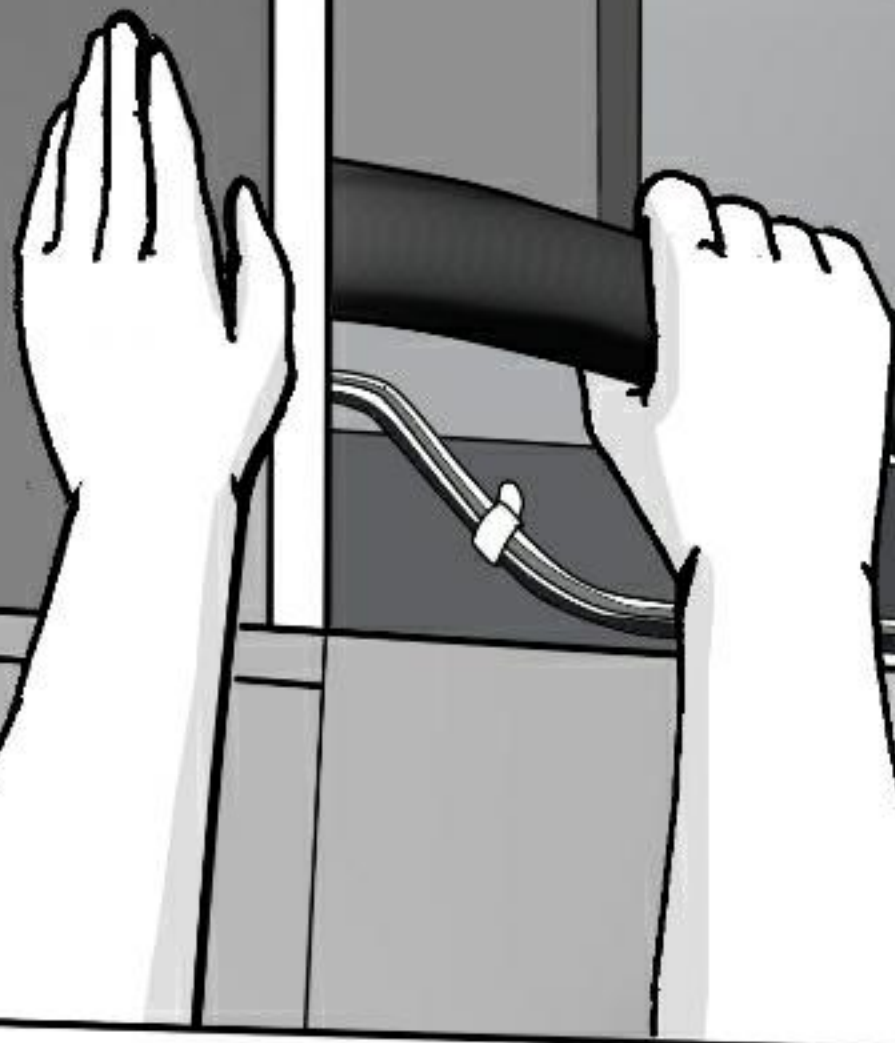

Be careful!
We'll get
stuck!

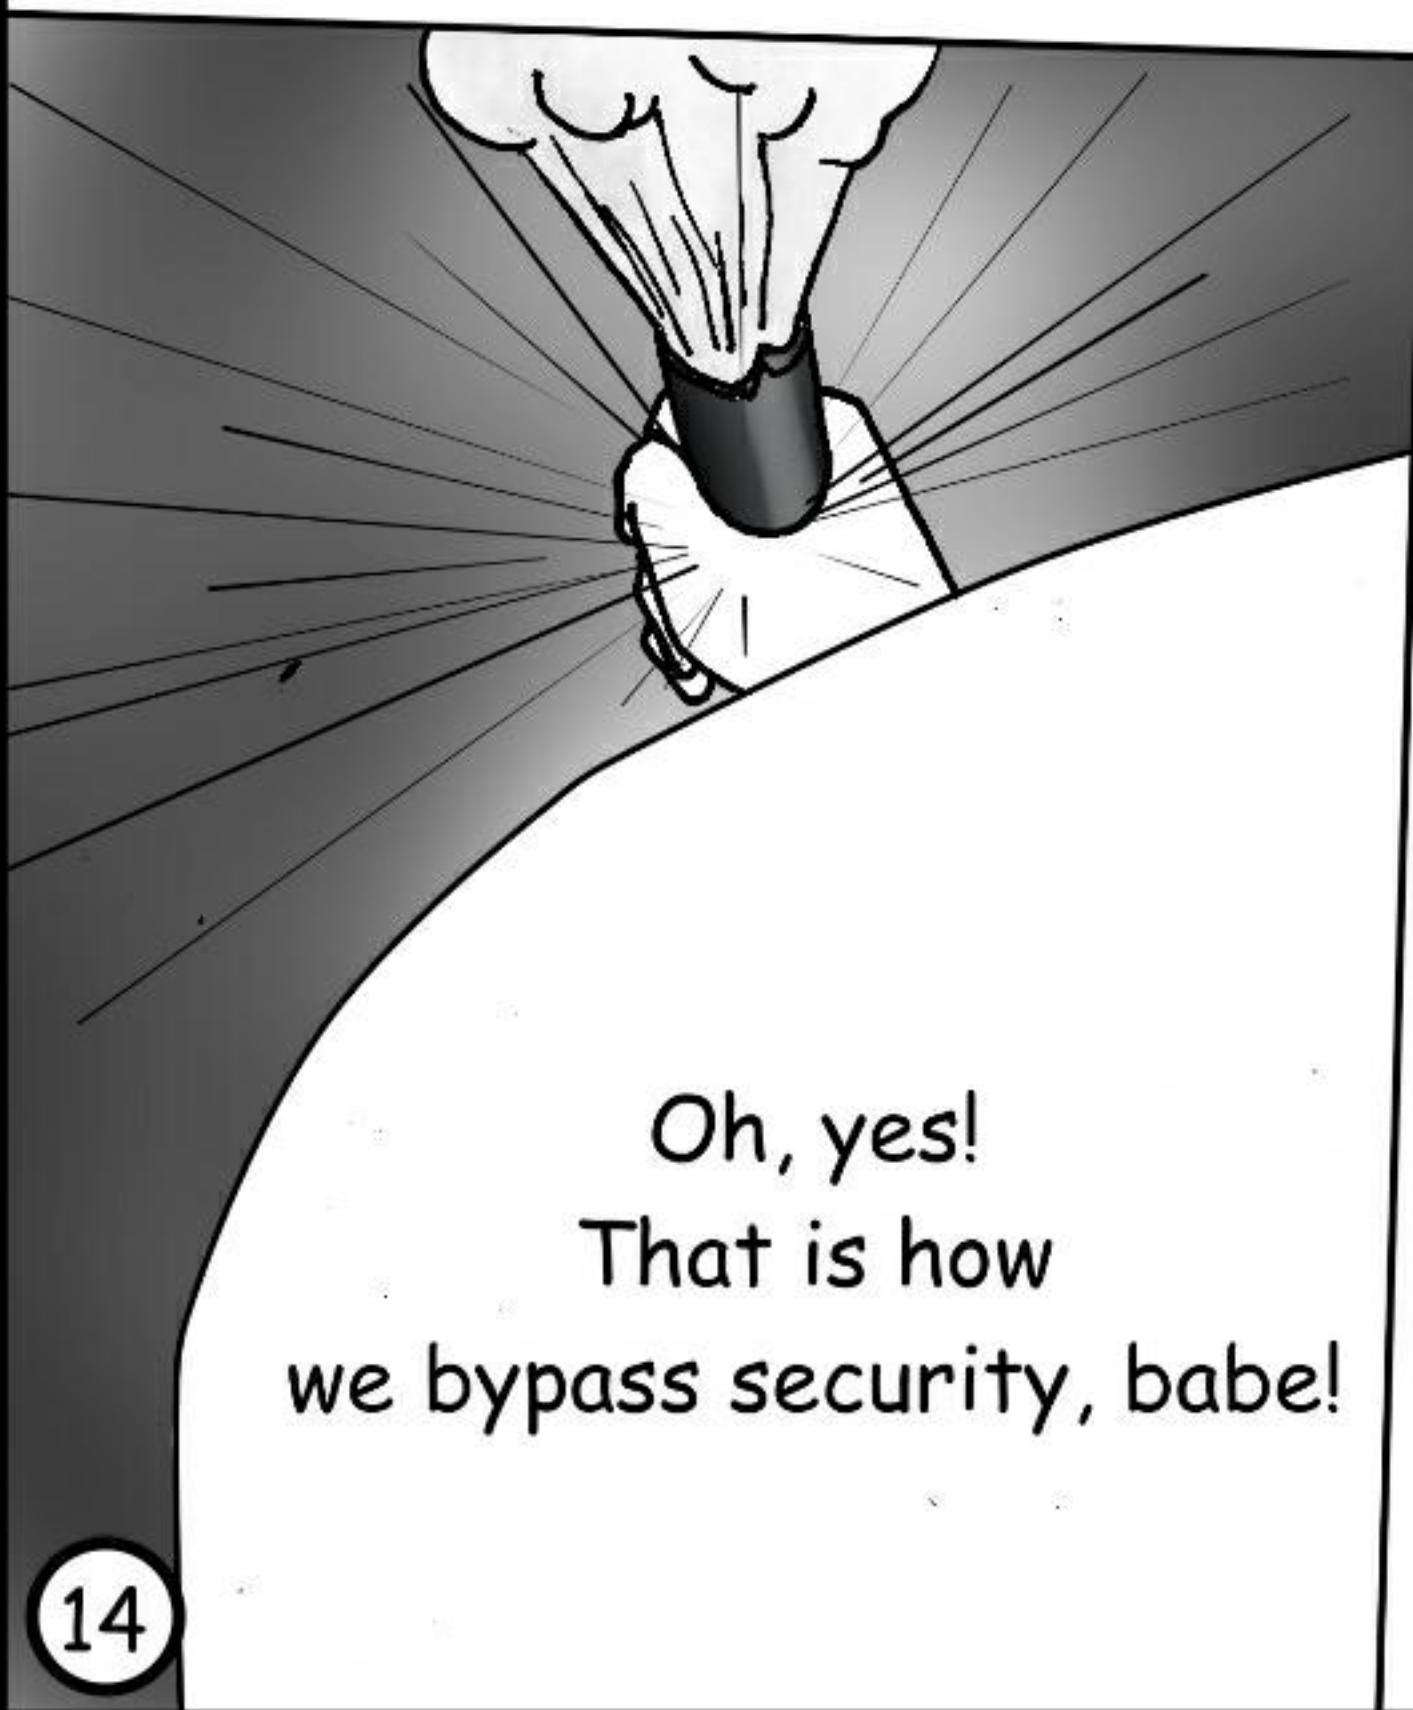

There's no use.
We already are.

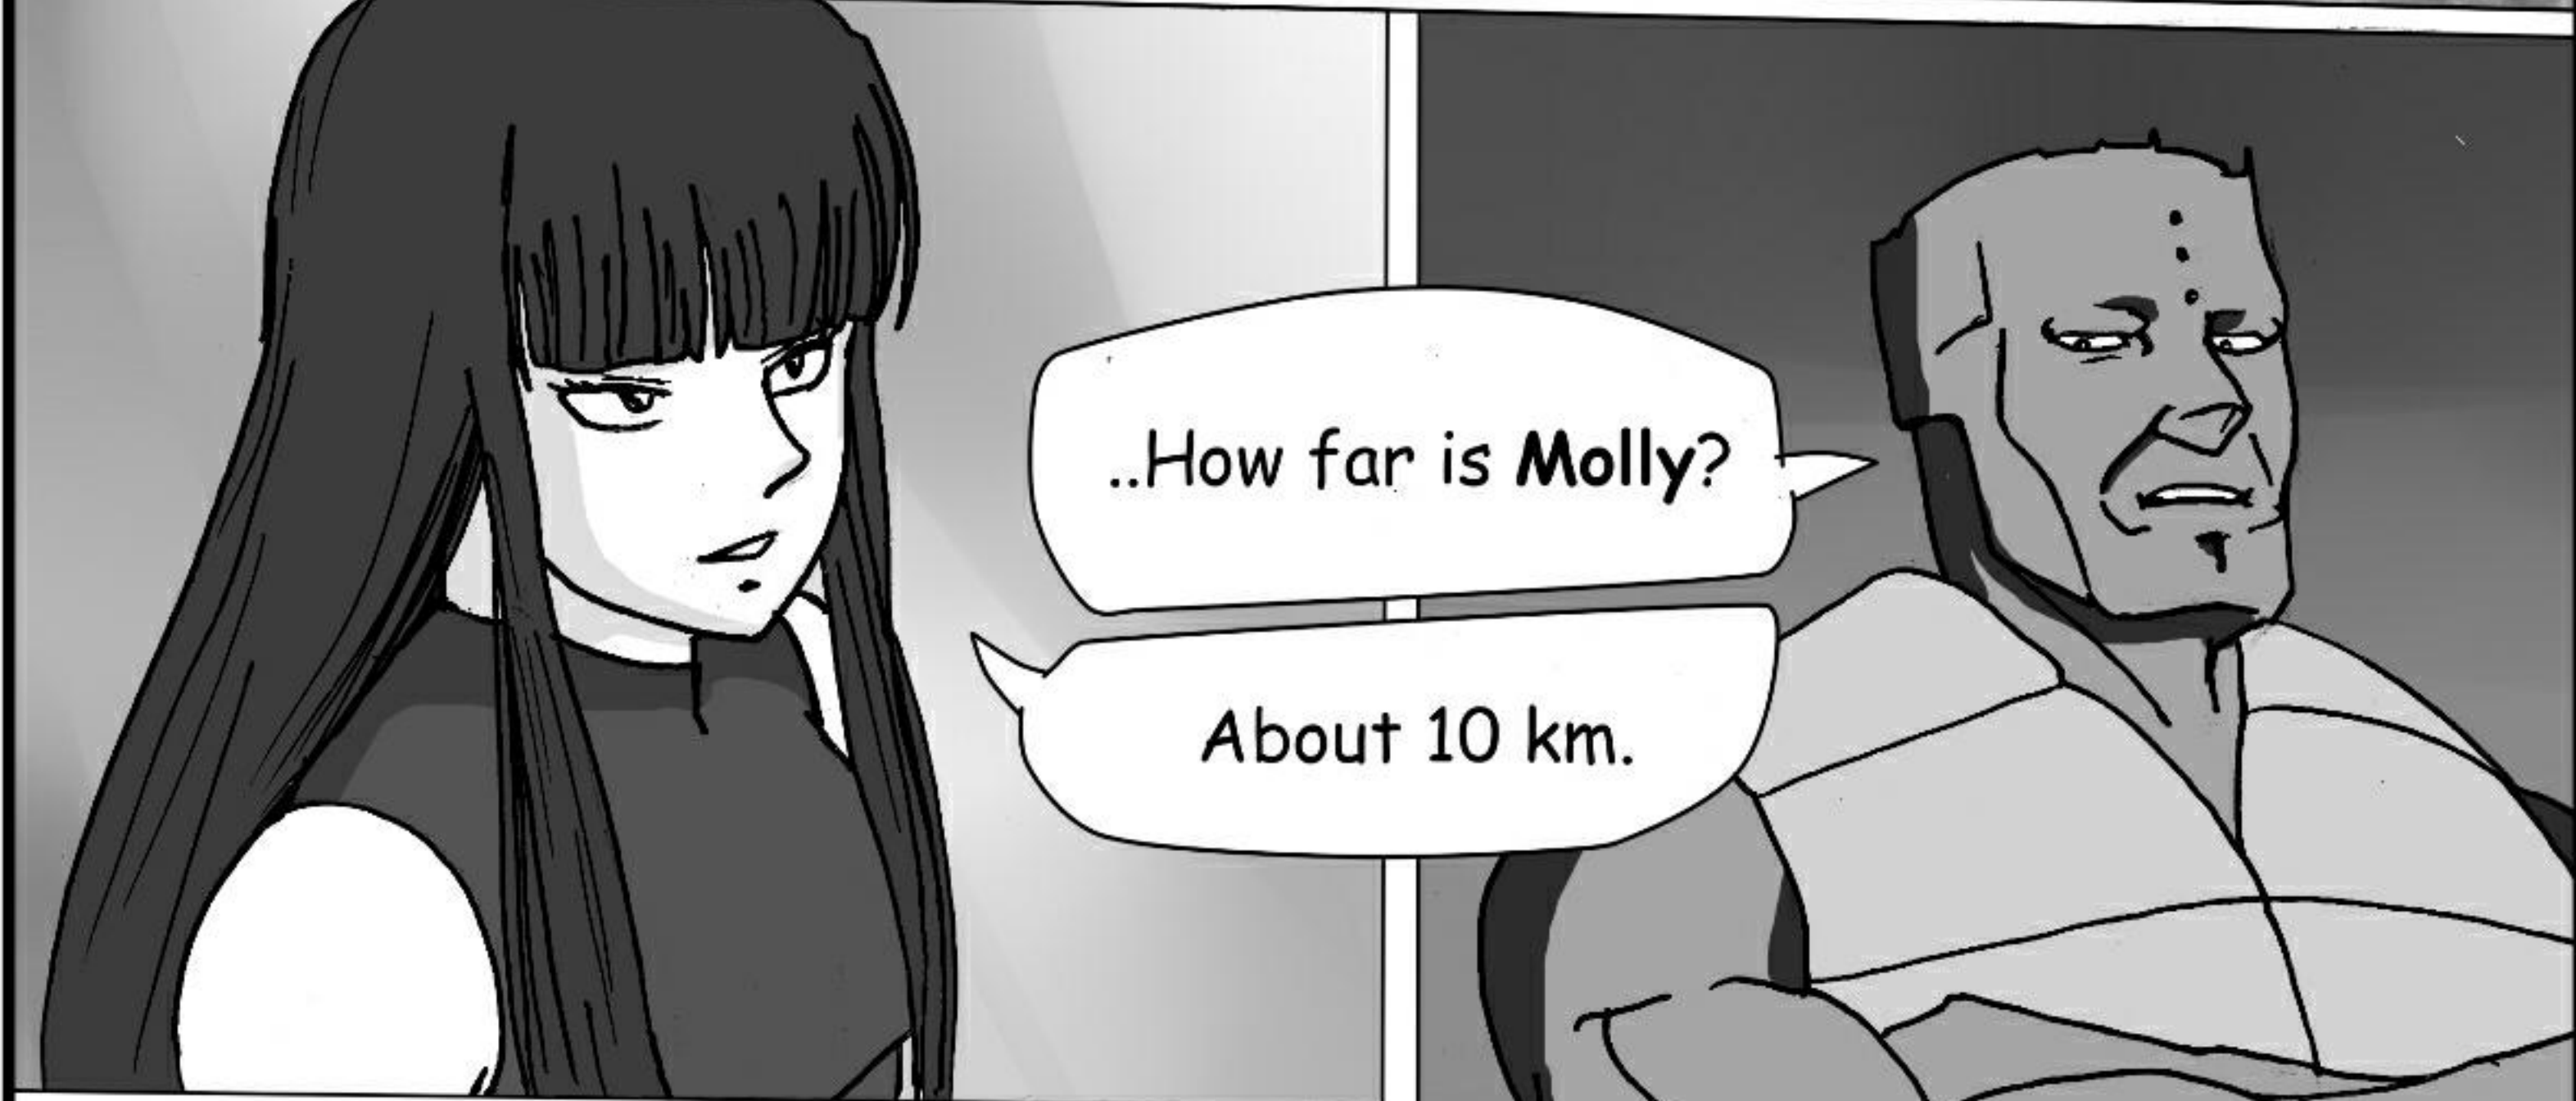

Traveling in a luggage
ship is a stupid idea.
I find it..
Humiliating..

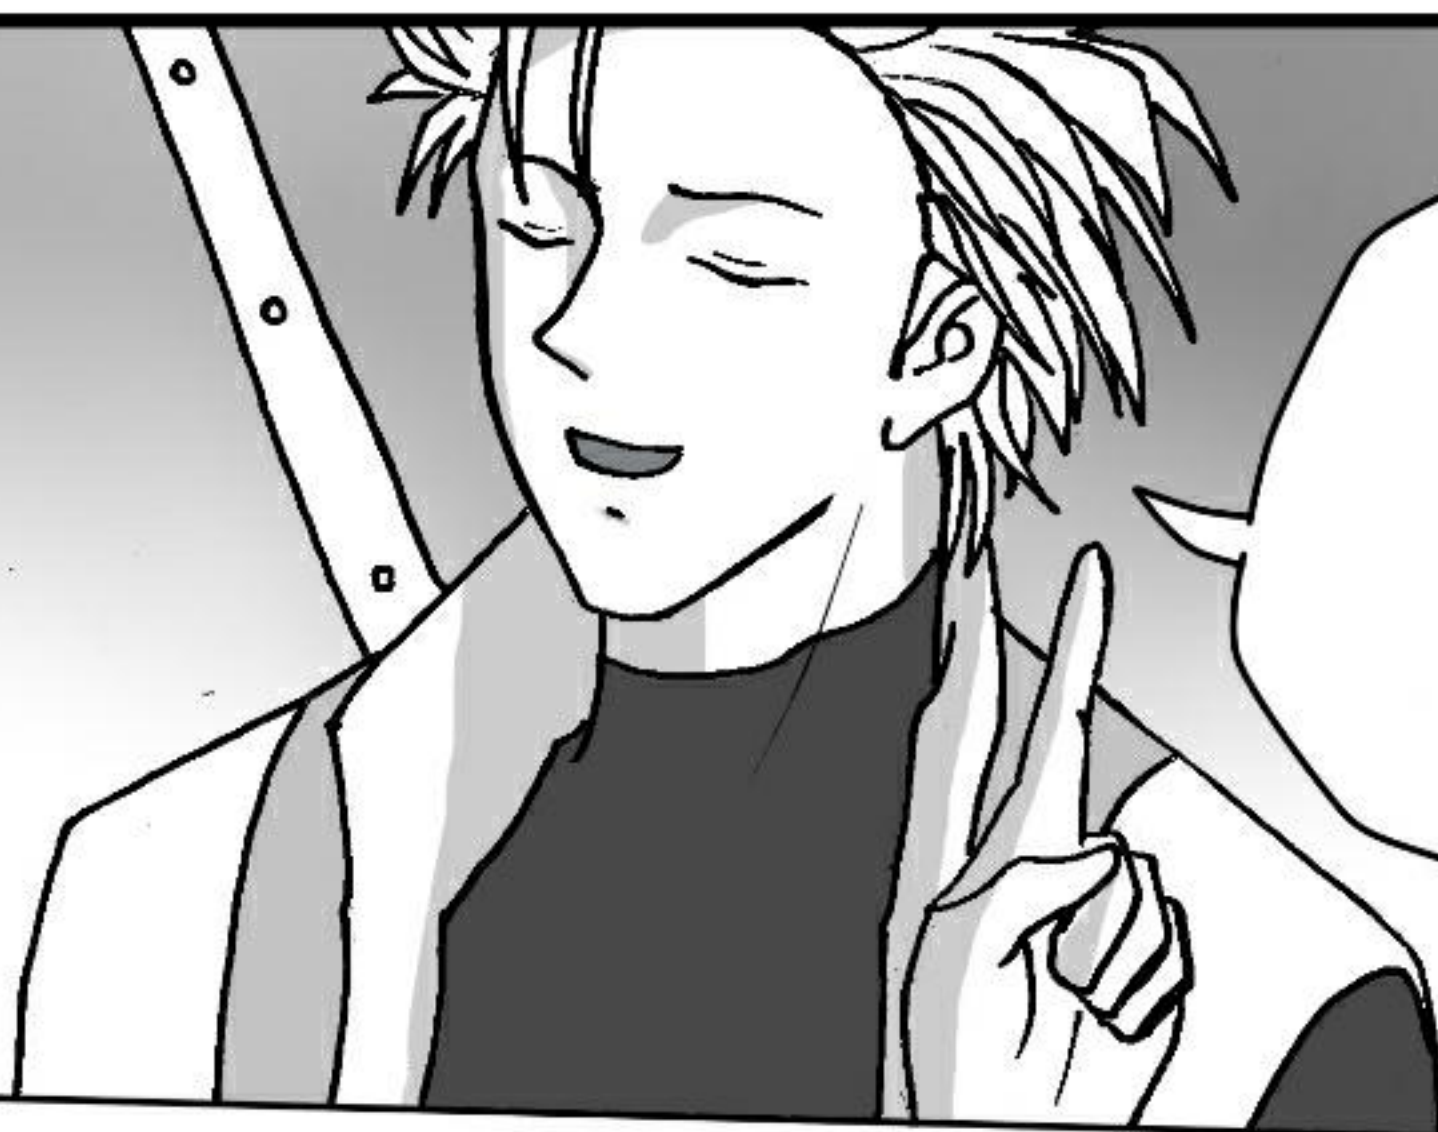

Dear Hydara..
It was your
idea before
your reboot.

Oh, yes!
That is how
we bypass security, babe!

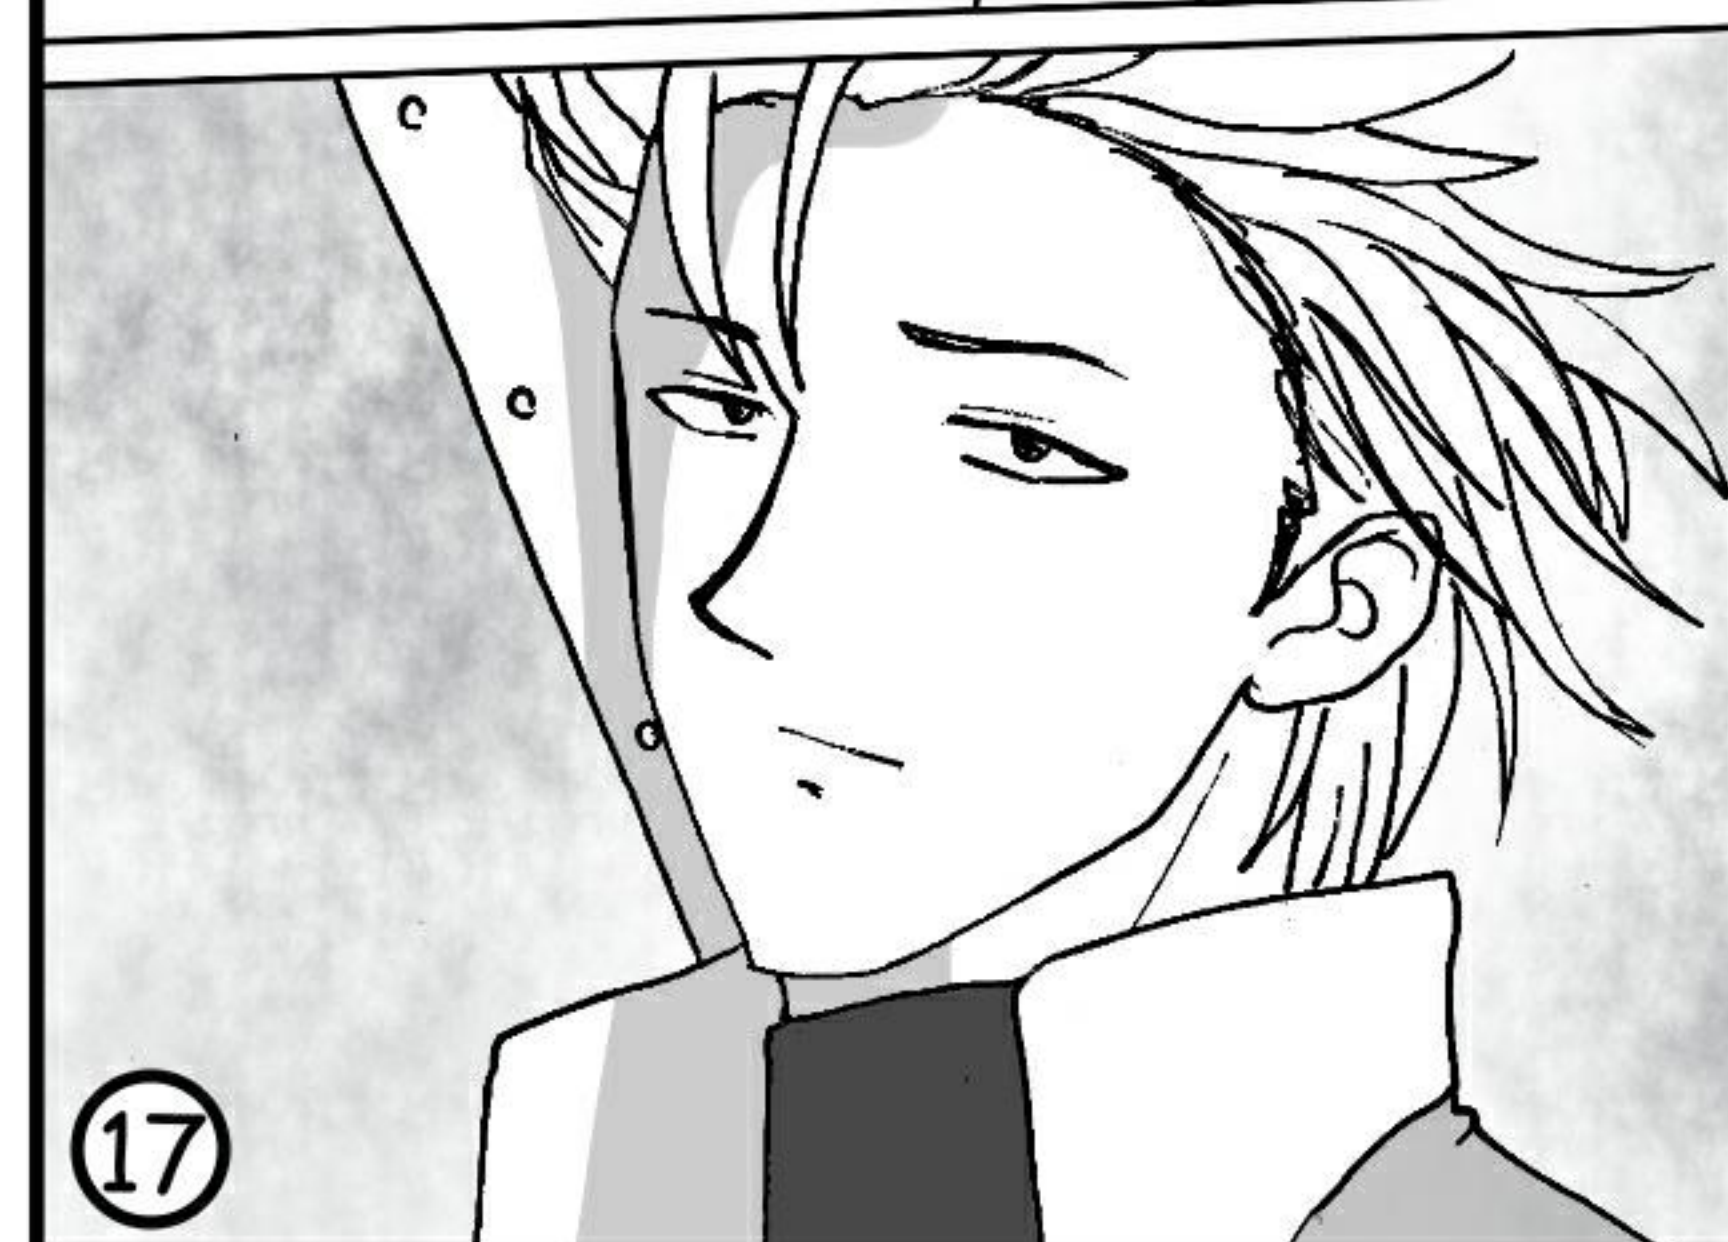

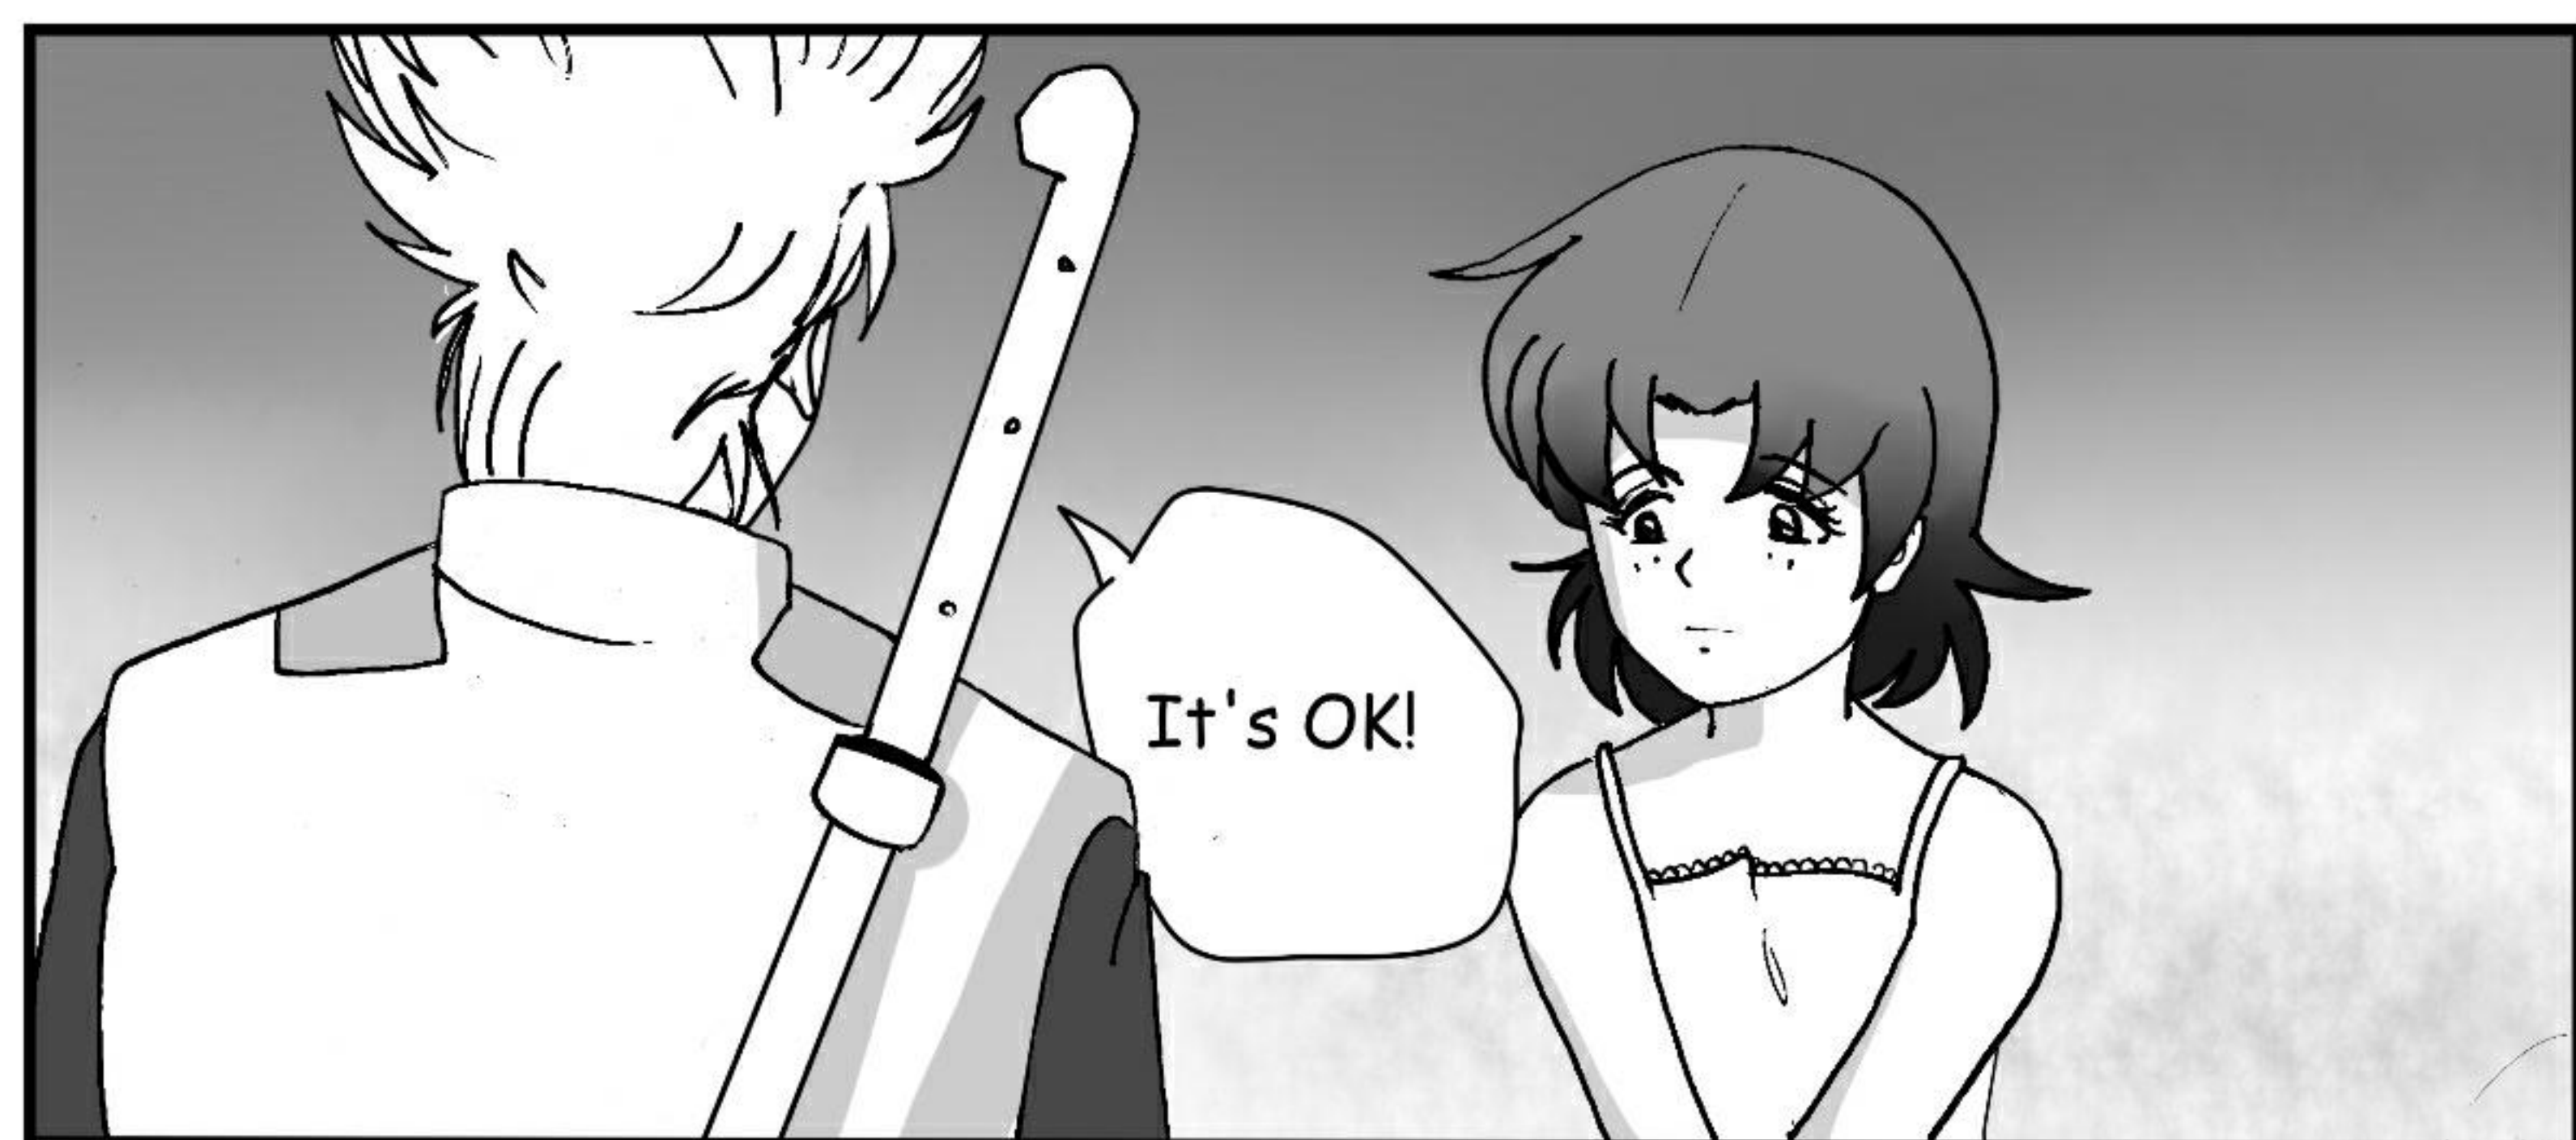

Never trust strangers.
Especially in this city.

In hard situations, you can call
security members for assistance.
Well, I'm here.. So how can I help
you, Miss?

I thought they were
nice people trying
to help.

I can't believe
how lucky
we are!

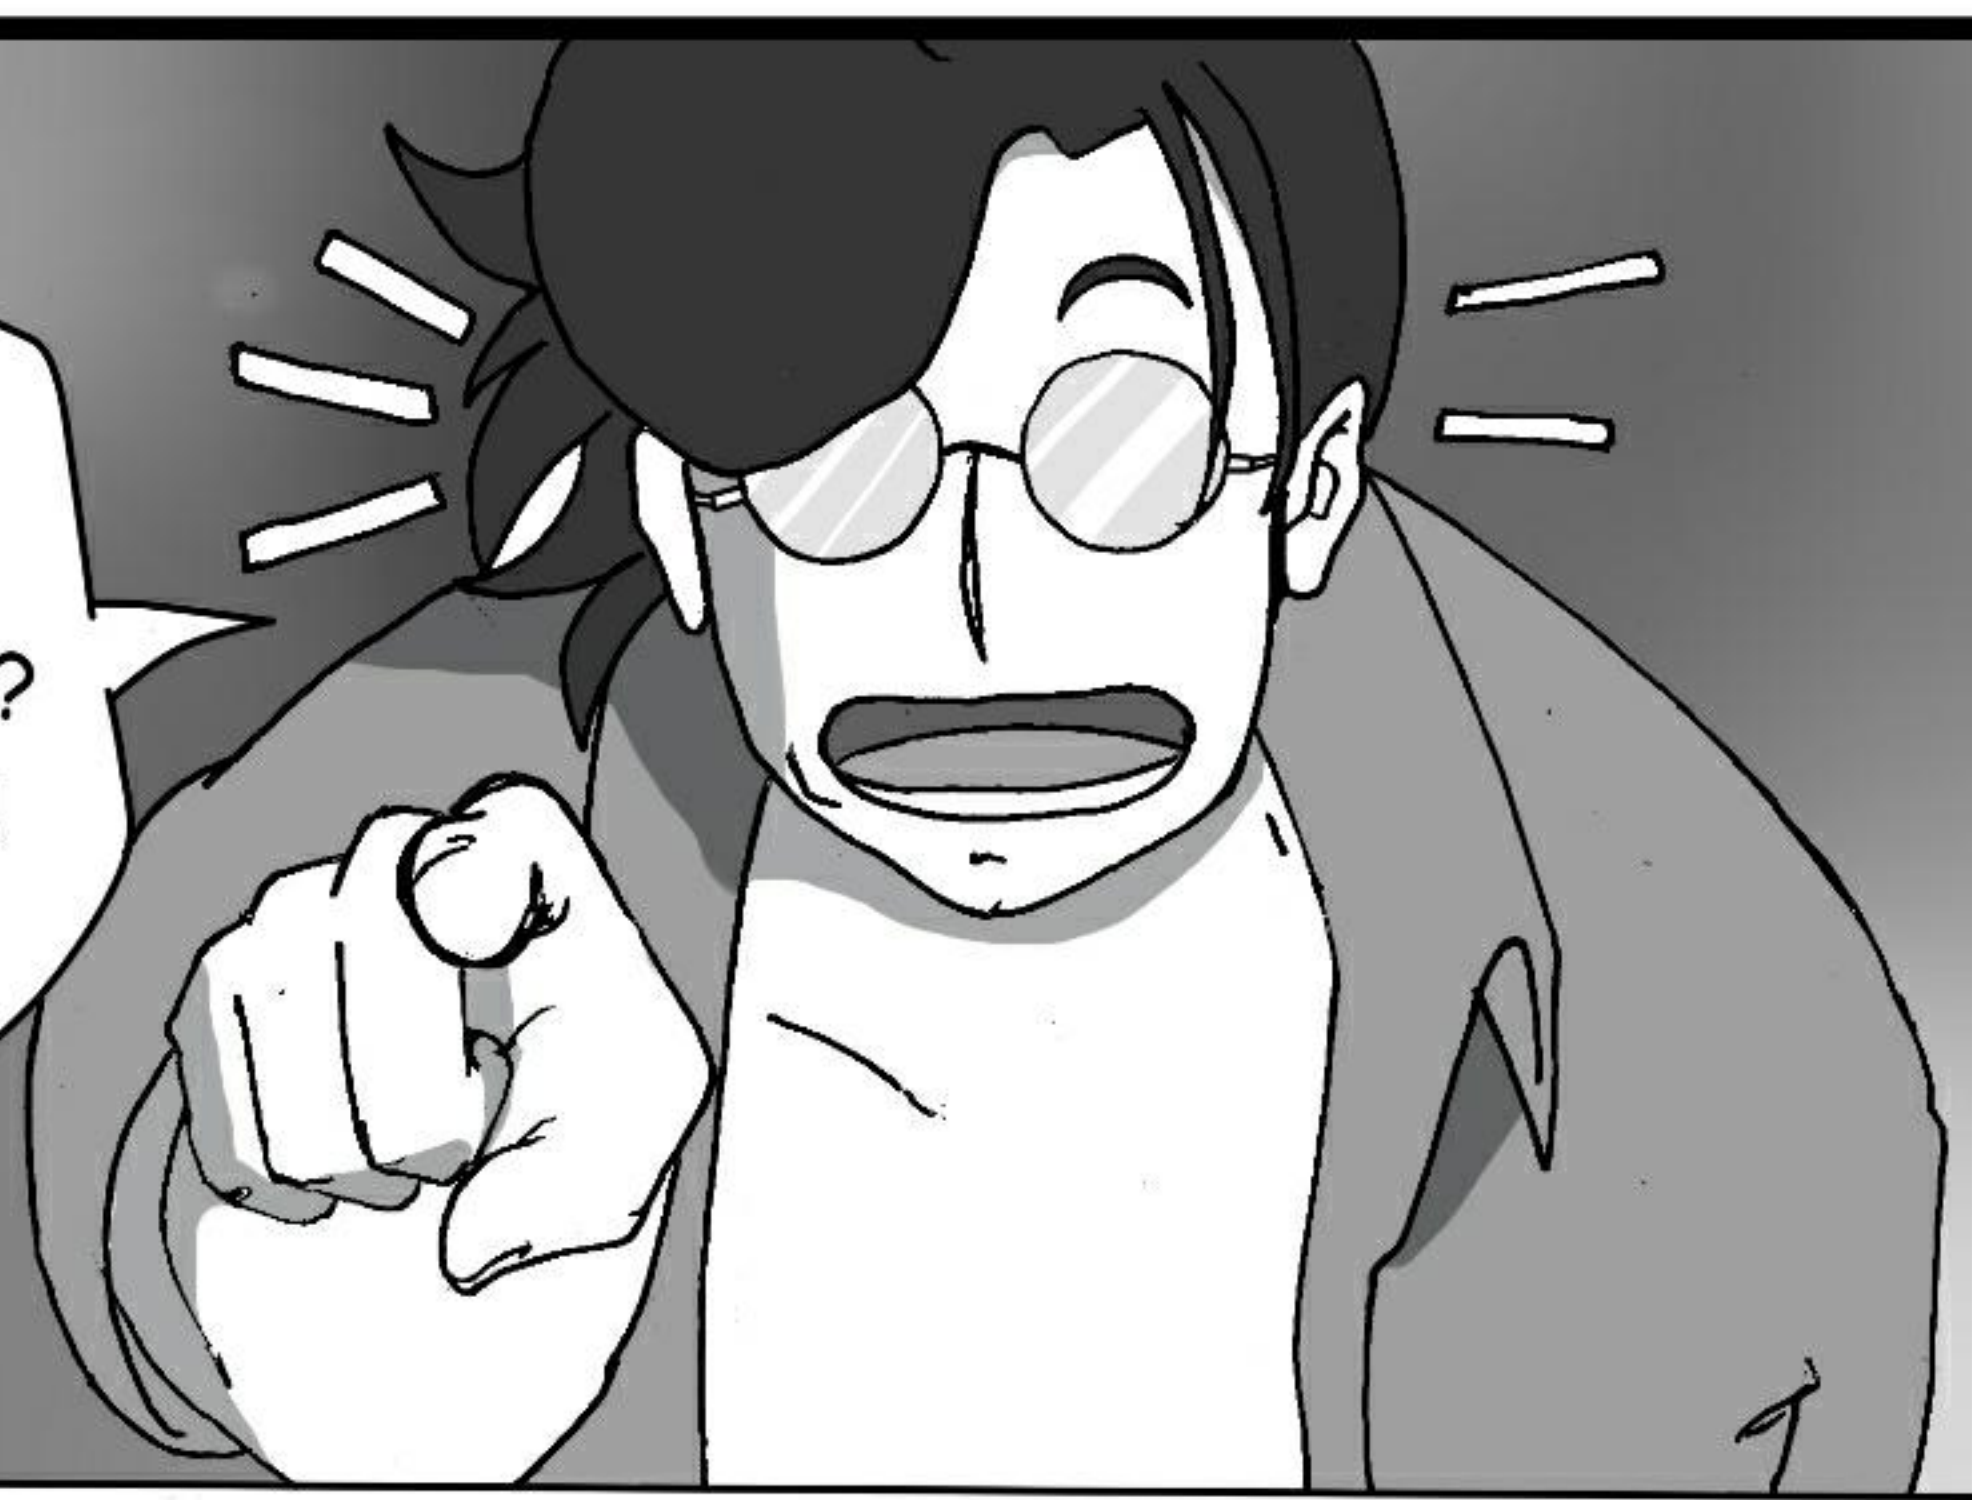

I had enough!

H A Z E E L !

We need a way to
strike back at
those idiots!

A man with dark hair and round glasses is shown from the chest up. He has a wide-eyed, shouting expression with his mouth open. He is pointing his right index finger directly at the viewer. There are several short, radiating lines around his head, suggesting intense emotion or shouting. He is wearing a light-colored shirt under a dark jacket.

You're kidding..
right?
Are you out of your mind?
You'll get us both killed!
..KILLED!!

A man with a large, dark afro and a full beard is shown from the chest up. He has a very intense, almost menacing expression with his eyes narrowed and his mouth slightly open. He is wearing a dark, collared shirt. His right hand is raised near his face, with fingers slightly curled.

Do I look like I'm kidding?

Look at my face, bro!

Meet Molly Ringgs

Molly is 13 years old. She has blue eyes and green hair. Animals are the best companions for her.

She appeared in Latoona city,
She's looking for Neptune and
Kisoko. Her mother disappeared
When she (Molly) was 3 years old.
And she's from the future!
